

Backpack Food Program Winter Gift Boxes

Most kids look forward to having two weeks out of school and the delights of the winter holiday break, but for kids going home to empty pantries, the idea can be scary. For some, no school often means little to no food. Our program helps fill this need by providing food to LISD families over the holiday break. **Thank you for choosing to help us make everyone's holiday a happy time.**

Please assemble all items listed below in **1 large plastic tub or laundry basket.**
